

## Bulldogs Across America – *comparing local programs*

All programs have either an alumni mentor assigned to the student intern, or an alumni family.

All programs have students living at a local university, where there will be other students.

All programs have organized group activities that introduce the student interns to each other, to the alumni group members, and to the local community.

<u>City</u>	<u>Name</u>	<u># interns</u>	<u># alumni</u>	<u>city pop</u>	<u>metro pop</u>	<u>free housing</u>	<u>partners</u>
